Notes						
The 2016–2017 FAFSA Verification-IRS Tax Return Transcript Matrix is applicable only for U.S. IRS tax return filers (IRS Form 1040, 1040A, and 1040EZ) and includes only the tax return items required by the Department to be verified for 2016–2017.						
IRS Tax Return Transcript—Shows most line items from a tax filer's original tax return (Form 1040, 1040A or 1040EZ). An IRS Tax Return Transcript does not include information from an amended tax return.						
PER COMPUTER—A value calculated by the IRS that sometimes displays for certain items on an IRS Tax Return Transcript. The Per Computer amount must be used for verification even if it is different than what was reported by the tax filer to the IRS.						
RECOMPUTED <tax return item name> PER COMPUTER - Any amount should be ignored for purposes of verification.						
Married Filing Separately—An applicant or an applicant's parent(s) who filed or will file his or her income tax return as "Married Filing Separately" or who is married to someone other than the individual included on a joint tax return must provide separate IRS Tax Return Transcripts for each person whose information is included on the FAFSA.
